

Inter-insular update - 2nd September 2008

I have still not received payment from many of you even though the deadline for payment was last Friday. Please will you ensure that you send a cheque (made payable to JSAC) for £30 if you are going by boat and £60 if you are flying to me at the address below asap:

Mrs K Dingle

Please ensure that you check the website www.jerseyspartans.org (Track and Field page and scroll down) for all the information that you need for the weekend. Please note that there are new room numbers on the hotel list and many of the other lists have changed in the last few days so please ensure that you continue to check them. I will be at the clubhouse on Tuesday evening from 6.30 to 7.30pm if you'd like to pay me then and for anyone who requires kit or further information. However, I can not make it there on Thursday so please ask another coach if you require kit then.

Please remember to be at the airport or harbour one hour before the departure date and to print off all relevant plane, boat and coach times etc so that you have them with you.

Please call me on 722377 if you are unsure of anything.

Regards

Karen Dingle
